

INTRODUCING VCL BOOKING PORTAL

Your All-In-One Platform for Victory Cruise Lines Bookings

Streamline every step of the reservation process with a centralized portal designed exclusively for travel advisors. The booking portal is a user-friendly system that gives you direct access to create and manage Victory Cruise Lines reservations.

KEY FEATURES

- View real-time pricing to share accurate quotes instantly.
- Create a reservation quickly from start to finish.
- Retrieve and service bookings whenever updates are needed.
- Add shore experiences to personalize your clients' trips.
- Apply deposits, additional payments, and final payments easily.
- Complete Guest Information Forms in one convenient place.
- Add passport details securely for smooth travel preparation.

HOW TO ACCESS

Portal URL: <https://victorycruiselines-crs.cruisepal.net/ResWebBookingAgentJs/login>

FIRST-TIME USERS:

Select "I Forgot My Password" to receive a reset email and create your password.

RETURNING USERS:

Log in using your travel agent email and password.

Who It's For

- Travel advisors booking Victory Cruise Lines
- Agents needing fast access to accurate product information
- Agencies looking to streamline reservations and client communication

Access Requirement:

Agencies must be registered with Victory Cruise Lines before advisors can access the booking portal. If your agency is not registered, please [CLICK HERE](#) to complete the AGENCY registration form. After the agency is active, travel agents can call our reservations department to be added to the agency profile and receive booking portal access.

Benefits to Agents

- Faster, more efficient booking workflows
- Access to current pricing and promotions
- Simplified communication with Victory Cruise Lines support

Agent Resource Center

This booking portal is separate from the VCL Agent Resource Center, which provides sales support, marketing collateral, and training resources.
